Congratulations

to

IAN BRADBURY

on your Break O'Day Council Australia Day Excellence Award for volunteer services to the community. It is well deserved.

Ian, with his family, Kirby and Lachlan.

Congratulations are also in order for all the other recipients from throughout the municipality. You are all deserving of your Australia Day Awards.

What a ripper!!

Congratulations are in order for Jason (Bert) McGiveron (pictured right) who brilliantly landed a striped marlin on Friday February 3, 2012, fishing out of a 15' dinghy, off St Helens.

WELL DONE!

This is the first marlin landed for this season.

Welcome to the first edition for 2012. I hope everyone has had an enjoyable holiday break, and wherever you were whether at home or on holiday away from your regular life, the weather was kind to you. 2011 has been an unusual year, with many tragedies throughout the world. All so sad, with loss of lives and property.

When I hear about all the natural disasters, causing heartache to so many, I always remember what a beautiful place we live in, in Tasmania, and especially here on the east coast. Although we have problems from time to time, on the whole, mother nature is usually kind to us.

Many events have been held in the six weeks we have been taking a break, and in this issue we have reported on a few of them. I am very lucky I have so many people who regularly send me stories and photos. It makes my job so much easier.

On another note, I received a few complaints last year, as to the content of 'Letters to the Editor'. They did start to get a little personal. If you are writing to express an opinion in 2012, may I ask that you please read our guidelines, which are printed in almost every issue.

I'm sure we are all looking forward to another enjoyable year, and all the volunteers and myself wish the best of everything to all for 2012. Judy.

Letters to the Editor Vol. 44 No 18, February 9, 2012

Dear Editor,

I am writing in response to the letter written by Colin Mackenzie in the last issue of the VV regarding the expressions of interest in use of the St Marys Railway Station.

The words "if anyone" were a misquote of what I actually said to the East Coast News reporter. The full sentence I said was "Council needs to know who is interested in occupying space and if anyone has specific needs in regards to storage, accessibility etc."

I can assure Mr Mackenzie that I have at all times supported and been involved with this project from the initial discussions of purchasing the site, the consultation meeting with the community on their ideas and wishes for its future, the walk through of the site recently with some of the potential users and the ongoing work being done by Council Officers to see this space be brought to life.

If anyone at anytime has an issue please feel free to give me a call on 6376 7900 and I am happy to discuss with them any concerns.

Mayor.

For those friends of Sharon, here is an update from her mother Maureen...

It has been a while since I have let you know about Sharon's progress. Sharon was discharged from Hampstead Re-Hab hospital yesterday. We had been hoping that she would achieve enough mobility to come home to us to be cared for, but sadly this has not been achievable.

It was recommended she go into high level nursing care and we have been able to find a nursing home about half an hour from us that will accept people under 65y.o. The nursing home has 3 resident cats that are allowed to roam throughout the home and sleep on beds if they decide to. Also there are 3 resident cockatiels that Sharon was very pleased to see as she had to leave her cockatiels in Tassie.

Fortunately they have the best re-homing possible and we are grateful for that. Sharon's greyhound Lilly who has settled in with us very well, will also be allowed to visit inside the home which, now that Sharon is closer, we should be able to take her more often.

We have a volunteer service in our community called Medi-ride, who picked Sharon and I up from Hampstead yesterday in an access cab and will be taking us to hospital appointments Sharon has tomorrow and Monday, and any other times she has to be transported. This is done for one of her cab vouchers and a small donation.

Sharon still has 4 months of chemo to do and at the moment it has been deferred as platelets count was so low she was at risk of bleeding. We have an appointment tomorrow to discuss how this is going to be managed from now on. We also have a good hospital in Victor Harbor which is only a stones throw from the nursing home.

While this is not the outcome we were hoping for it is not all bad and on Sharon's good days we will be able to take her out for a bit of shopping or for lunch etc. On her bad days she needs up to two people to look after her which was the crunch line for her to come home to me.

It is now very important to sell her house as the nursing home takes 85% of her pension which leaves nowhere near enough for mortgage payments, rates, ins. etc. The bank has put a freeze on her payments for 3 months in the hope we can sell in that time.

So if anyone is looking for a nice comfy miners cottage with a bit of land and lots of shed room, and a very nice lot of people to live near, it is in Mathinna.

I will let you all know down the track how things are working out but if you would like to contact Sharon the number of the nursing home is **08 8552 5100** and the postal address is: **Kiribilli/Kiama Nursing Home**, **150 Bay Road, Victor Harbour. 5211.** Also Sharon still has the same mobile number.

Best wishes to all, Maureen Agars.

The Lions Club of St Marys Inc. wish to say thank you to all the volunteers who helped to make 'Christmas Eve in St Marys 2011' such a great success.

Special thanks must go to Jeff and Margaret Faulkner for once again

allowing us to use their block for this event. Our thanks also to Mark Carrick who donated ice creams and icy poles, to Dana and Craig Cox for their cash donation, Grant Faulkner for his fuel voucher for Christmas lights 1st prize, and the St Marys Bakery for 12 loaves of bread for the BBQ. To Don Bonner of Tasmania Police for his assistance with the parade and to all those entrants who put so much time and effort into entered floats for the parade which we considered to have been the biggest and best for many years.

We are so lucky that Santa had the time in his busy schedule to drop off for a while in St Marys to speak with all the girls and boys and find out if there were any last minute gifts they were interested in. I am sure everyone would have been very happy on Christmas Day. All in all, this ended up a great afternoon enjoyed by local and visitors, adding up to several hundred children and adults.

The Lions Christmas stocking was won by 'Bung' Bantick and rumour has it that he is still finding new toys to play with! Thank you to Harry and Kerry for displaying the stocking and selling tickets for us, also having 'Santa's Mail Box' at the post Office. Santa answered almost 100 letters again this year.

A special thanks to our local St Marys Aurora workforce for putting up the street bunting, banners and our new lights in the tree. The latter turned into almost a nightmare! If it had not been for Paul Aulich and Bruce Glatte working many hours repairing wiring and getting power to the tree, this part of our decorations would not have eventuated. Then, to top it all off, to have to come back and try and repair the lights after some bright sparks decided they would climb the tree, pull down the power boxes, and break several strings of lights, this would have been a very expensive exercise for Lions Club members. We sincerely hope those involved have thought about what they did and have a good think about where their life is going. Vandalism is not the way to go.

Just something to think about: Lions Club of St Marys Inc. paid in excess of \$4300 for tree lights, banners, poles and new bunting for the street. Add to that the cost of the actual party, jumping castle and ball pit hire, gifts and prizes of \$1500 makes a total spent of \$5800. We consider this a job well done and are looking forward to another good year serving the community. John McGiveron,

Secretary,

You'll save much more than money when you buy your basic essentials in bulk!

At Purple Possum we've noticed a trend where folks are buying in bulk – like so many people did in the old days. And when you think about it, it makes very good sense to stock up on basic essentials such as flours, sugar, rice, bread mix, muesli, honey, oils and vinegar, buying say 10 to 25 kg bags or large containers at a time.

You save time – you don't run out of things and it's far more convenient. You save trips to the shop. You save money on petrol. And when you buy in bulk, we can give you a discount as there's less work and packaging at our end. So think big and think bulk. Talk to Elaine about it next time you're in!

Fingal Valley Neighbourhood House Outing

On Thursday 2nd February a group of St Marys ladies joined with one Fingal Lady and took the Fingal Community bus for a day trip to Ashgrove Cheese Farm and Deloraine.

Bernice, Maureen, Caroline, Kelly, Jung, Fung, Ping, Wendy and Janet would like to thank Deb for the effort she puts into organising these outings, and to Reon Johns for being our driver for the day.

Thank you both for enabling such a wonderful trip!

A great deal of fun was had by all, there was much laughter on the bus and many stops for food along the way.

We greatly enjoyed the Cheese Farm visit and tasted cheese to our heart's delight, and many made cheese purchases to return home with!

We then took lunch in the Deloraine Hotel next to the river, which was absolutely delightful, followed by a few hours of meandering through the streets (and Op Shops) of Deloraine.

We returned home in the late afternoon, all exhausted but delighted with our great day out!

We cannot wait to do it all again, hopefully in March...

Look out for notices around town and think about joining in the fun.

Hi folks!

Hooker This is just a note to let all clients, past, present and future, know that I'm back full bore into servicing "The Valley" including St. Marys,

Cornwall, Fingal, Mathinna, Mangana, Rossarden & Avoca as well as all surrounding areas. When I first established L J Hooker St. Helens in 1995 my first few visits to St. Marys were greeted with "those St. Helens agents don't care about The Valley". I set about making sure that this changed & after a few years of handling it by myself I employed the first Valley specialist in Lyn Dawes. Lyn served both myself & The Valley well but left to have a baby a few years later. I have employed other Valley specialists who have since left but some 12 months ago I sold my business to Nereda Ball. I have remained as the senior sales

consultant and I am free to concentrate full time on sales. Whilst I sell properties all over Break O'Day I concentrate on The Valley & look forward to renewing old acquaintances.

Having sold more than 200 properties in The Valley over the years & with 28 years of experience in all facets of real estate. I believe I'm the one to turn to when it comes to selling your property, especially in these tough economic times.

Also having the backing of Australia's strongest and most respected real estate company helps put your property ahead of all the others.

Regards, Glenn.

OUT OF THE WOODWORK Wendy Brennan - Secretary 6372 2094

As there are many unfamiliar faces in St Marys, the Guild would like to take this opportunity to reiterate our objectives and policies for any newcomers who may have heard of us but are still unclear about what our Club has to offer.

We have been in operation since 2004, after an idea was floated that we needed a place where old woodworking techniques could be taught and shared. Where new settlers could integrate and have social interaction in a new community. A club that would look after the needs of the socially isolated (**both men and women**) by offering a centralized meeting place where they could engage in structured activities and gain access to relevant services and information within our community. Thus the formation of the Break O'Day Woodcraft Guild.

Full membership is \$16.00 per year which entitles you to full access to all our machinery and \$2.00 per day or \$5.00 a week to cover electricity, some materials, tea and coffee. Still interested and would like to find our more?

Break O'Day Woodcraft Guild's shop.

Feel free to drop in for a cuppa and have a chat to any of our members either on Monday, Wednesday, Friday or Saturday from 10am till 4pm.

Please help support our club by purchasing one of our "most hated, most eaten sausages" from the sizzler king at the Tasmanian Regional Arts Market. All monies are put back into our club.

While on the subject of our haute cuisine snags, a thank you to Margaret and Graham Derbyshire who on every market day donate to the Guild chopped onions, it is very much appreciated.

Finally keep in mind the 21st April our next open day fair.

The Guild meets on the last Saturday of every month at 2pm in the old railway goods shed situated behind the Railway Station complex. New members are always welcome. We are open Monday, Wednesday and Friday. Other times by appointment.

A supportive environment where traditional woodcraft skills are taught.

St Marys Sports Centre Inc. news Kackhander

I was hoping someone else was going to offer to do this column this year with fresh ideas and approach but so far not yet...C'mon guys...

*Pennant Bowls has recommenced with both the Men's and Women's teams travelling quite well. All comes down to the final three games leading into the finals to determine if we play in them and what ladder position can be obtained. It's up to us so please commit if you can. Practice and team selection every Thursday night.

*Thanks to all those who strongly supported the recent "Crib Night" at the club. It was an outrageous success and lots of fun. Might even happen again before long.

Thanks especially to all the members who helped out.

*A special thanks must go to Damon Viney and Chris Davern whose recent work on the bowls green is showing superb results evidenced especially since Christmas and also to the Golf Course crew and new "trainee" Glenn Macca McDonald. Their work similarly is reaping great rewards. Thanks to all. (Four year apprenticeship Macca)

*Back to bowls and some very special helpers in our club as HOST CLUB this year are our Catering Crew. They are simply amazing... WE DO HAVE THE BEST AFTERNOON TEAS without any doubt. Blood's worth bottling.

Similarly our volunteer markers and helpers on East Coast Championship days... Never too much trouble... Thanks.

*If anyone is interested in re-establishing a Pennant Golf side this year can you let the club know. All are very welcome and if there's enough interest it might even happen. It's the purest of all golf...

Until next time, good hitting and rolling.

The Say Cagerattler

Welcome to a new year and despite me needing reminding that it was THIS WEEK and not next that the Valley Voice was recommencing again, I was happy to quickly tap out a few lines...Firstly though... Can you help me..? During the year please feel free to add, argue or suggest the topics we touch on. We need feedback and forums to seek out what we need to talk about. Hopefully it's not just me who has ideas for this column each fortnight...Thanks.

What about the announcement late last year on the exciting possibility of the new mining venture in the Valley? Wow, imagine the possibilities of a new major employer coming onto the scene in the next twelve months or so.

Despite this can you believe there are people out there either skeptical or hoping it doesn't happen. Thankfully only a few. To those people... WHAT'S WRONG WITH YOU? For goodness sake ...

Unless there was grounds for a major environmental disaster or something similar there should be nothing but positive comments and total encouragement for such a venture. All up including support personnel and the like this mine will employ around 600 people... SIX HUNDRED... Even if it was sixty it would be fantastic for our beautiful but economically depressed region.

I only hope the very few unbelievers will can it somewhat, and let something very good provide some great opportunities to the wider community.

What do you think ?
